- =====
- The boarding price mentioned in this contract will be charged according to the valid price list. All prices include value added tax. Payment can be accepted by card or by cash when checking out.
 - Pets will be surrendered only to the person who has signed the contract or to the person designated in the contract by the signee.
 - All pets that are taken care of in PetVilla, will be accommodated in safe quarters. PetVilla or its staff are not responsible should a pet fall ill, get hurt, die or get into an accidents if said incident is not caused by staff neglect.
 - In case a pet will harm other pet or PetVilla possessions with aggressive behavior, the owner of the pet is liable to compensate damages that the pet has caused.
 - In case the pet will get ill or the health requires the care of veterinarian, PetVilla can contact the veterinarian or take the pet for a treatment by using their own judgement skills. The owner of the pet will cover all the expenses caused by veterinarian, treatments and medication.
 - The owner agrees that a picture or a video of their pet can be posted on the PetVilla facebook –site and Instagram-site.
 - In case the owner won't pick up their pet after the agreed care period or doesn't inform possible obstacles for picking up the pet, the ownership of the pet will move to PetVilla after a week has gone by from the agreed pick up date. After this period PetVilla will find a new home for the pet.
 - By signing this agreement and leaving your pet to be taken care of in PetVilla, the owner assures all the details given to be correct in the care agreement.
